HCIA-Storage V4.5 Theory Course

Theory Course Overview

Theory Course

M1 Storage Technology Trends
- 1-1 Storage Technology Trends

M2 Storage Basic Technologies
- 2-1 Intelligent Storage Components
- 2-2 RAID Technologies
- 2-3 Common Storage Protocols
- 2-4 Storage System Architecture
- 2-5 Storage Network Architecture
- 2-6 Introduction to Huawei Intelligent Storage Products

M3 Storage Common Advanced Technologies
- 3-1 Storage Resource Tuning Technologies and Applications
- 3-2 Storage Data Protection Technologies and Applications

M4 Storage Business Continuity Solutions
- 4-1 Backup Solution Introduction
- 4-2 DR Solution Introduction

M5 Storage System O&M Management
- 5-1 Storage System Operation Management
- 5-2 Storage System O&M Management
